

1) **New Service Requirements!**

- We have an all-new NHS Service Event Submission Form (Google Form)
- You can find the form on the NHS Google Classroom; everyone should take a chance to look at that form so they know what is required.
- **NEW REQUIREMENTS:** members must complete 4 activities per semester, and must demonstrate variation in their activities. The 4 activities should encompass at least two of the four NHS pillars.
- **Deadline for semester 1: November 30th.**
- Example activities include:
 - Picking up trash around the neighborhood, or working the election night (Service)
 - Tutoring for Eagle Academy or tutoring a friend (Scholarship)
 - Social and emotional outreach (Character)
 - Helping at conferences, writing thank-you notes to teachers and counselors (Leadership).
- Each submission comes with a required picture of you doing the activity
- You have the option to consent for your picture to be shared on NHS social media-- we call it "Post the Pillars!"

2) **Parent-Teacher Conferences Leadership Opportunity!**

- Writing hand-written notes for teachers and counselors to show appreciation
- Conferences are on October 15th
- Get snacks and treats for the teachers
- Be looking out for Remind and Google Classroom for more instructions in the near future

3) **Eagle Academy Tutoring is currently on hold, but stay tuned...**

- We are in-talks with school administration to get an Online Eagle Academy up and running, but members should not expect any details until shortly after October 5th.

4) **We are working at the Johnson County Election Office on Election Night!**
